Dear Parents/Guardians,

21st June 2021

We have an exciting Art competition to commemorate the Covid Pandemic Key workers.

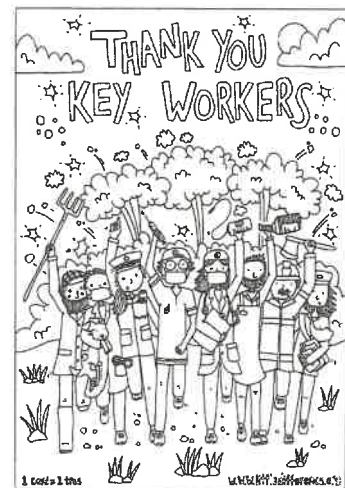

To enter please complete a design or drawing to remember all the fabulous NHS and Key workers who have supported us and made a difference during this difficult time.

The final design will be displayed in the main entrance on a large scale to celebrate the memories of everyone's hard work, perseverance and dedication during these difficult times.

Winners will be awarded prizes – Amazon gift cards

1st prize of £50 - 2nd prize of £30 -3rd prize of £10

We would like to see the NHS Rainbow and Key Workers such as Refuse men, Police, Armed Forces, Shop workers, Teachers, Nurses, Doctors, Road Workers, as well as any other ideas you may have. Here are some ideas to guide you. Imagination is key, so please don't be afraid to explore your artistic side. I look forward to seeing your artwork to judge – good luck!

Please hand your designs to your Class Teacher by the 2nd July 2021.

Winners will be announced on the newsletter and in class on the 9th July 2021.

Good luck and thank you.
